# Life Partners Position Holder Trust

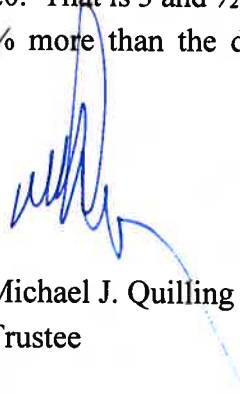

---

June 24, 2020

Greetings and good news!

First, the new website I am developing should be ready for use by the end of July or maybe sooner. I will let you know more as the date approaches.

Secondly, and far more importantly to each of you, I will make a distribution to all holders of units and IRA partnership interests on or about August 1, 2020. That is 3 and ½ months earlier than last year. The amount will be \$30 million total which is 50% more than the distribution I made last November.
